We encourage everyone to complete the the Membership form and send along with 2019 dues to club secretary, Heidi Wittig prior to the first show. The show office can be a hectic place particularly at the 1st show so taking care of business in advance is a big help. The membership form can be found on the web site <http://www.bluemountaincutters.com>.

I'd like to take a moment to report on the passing of Mike Walker. Mike was a former BMC judge and a long time cutter. I can sum it up pretty easily by saying that Mike was a class act who will be missed in the Pacific Northwest cutting community.

Hope to see everyone at the Annual Meeting.
