

May 2018

Thanks to all who attended the BMC April show in Sunnyside. It was a great way to begin the season. The May show will be Saturday, May 19<sup>th</sup> once again in Sunnyside. Please remember that entries close on Thursday, May 17<sup>th</sup> @ 9 pm. Check the show details page for entry information and to make online entries. Our secretary is issuing a reminder that if you're showing a horse which you don't own, the owner of the horse must be a member of BMC. Please take a minute to read the *Show Rules*, the link to which can be found on the web site home page.

We'd like to thank Dr Ken Lust, DVM – Summitview Cowiche Vet Clinic for sponsoring the April show with halters & lead ropes for all class winners. It was great and it makes winning a class just a little bit sweeter.

The sponsor of our May show will be club member Merrick Viet.

We'd like to issue a big **Thank You** to new sponsors/award donors:

Winona Eoff/Curt Storbakken  
Jack & Sue Kitt Cutting Horses  
Jameson Lake Quarter Horses (Paul & Heidi Wittig)  
Alec & Robin Eubanks  
Larry Davis  
Ken Lust DVM - Summitview Cowiche Vet Clinic  
Paul & Betty Fehrer – United Sales  
Merrick Viet

Sponsors & donors make it possible to do so much more for our members.

We have also been advised by Clint Carl (Horse Heaven Cattle Feeders) that the Bridleless Class buckle at the final show in October is being sponsored by JR Simplot Company. This class at the end of the season is an exciting favorite and we are extremely pleased to have JR Simplot be a part of the excitement.

Reminder – Pete doesn't want horses left tied to trailers in the parking area. Horses can be tied to the fence in the outdoor warm up area, left in trailers or you can get a stall for the day. Stall info can be found on the Show Details page.

Check out the Show Results from the April show. Thanks to the efforts of Cindy Gobler, we were able to add in the Judges Cards. We are going to try to tweak it a little further to speed up the time it takes to load this data for you to view, so keep watching the web site for the new & improved version. As always, we love to hear from members as to what works & what doesn't work well for them. And new ideas are always welcome.

Hoping for another fabulous day of cutting at the May show on May 19<sup>th</sup>.
