

April 2022

We are excited to be getting ready for the first BMC show of the 2022 season. A lot has been going on behind the scenes to assure that the show is fun for all. The April show is sponsored by Dr. Jeni King [www.sunvalleyequine.com](http://www.sunvalleyequine.com) with circuit awards in all classes. Be sure to check out the Sun Valley Equine Hospital on face book.

We have modified the Boxing class this year to give the rider maximum bang for their buck by expanding the work to 2 ½ minutes. This class will also be a great place to get that green horse on cattle without the pressure of being in front of a herd. It will give the rider a great chance to work on a lot for little cost.

As usual, entries will close at 9 pm on Wednesday, April 13<sup>th</sup>.

Upon arrival at the show, please first visit the show office to turn in your membership form, dues and feel free to pay your class fees at that time as well. Everything members can do to reduce chaos in the show office is appreciated by our hard-working

secretaries.

We have posted updated Show Rules on the web site for take a moment to review them.

The Show Manager is Greg Jones so if you have an issue, please let him know.

We are excited to have a vendor at the show. Liz Southard will be there representing [samplesalegigharbor.com](http://samplesalegigharbor.com). She will be bringing a selection of western style bags & purses at killer prices.

She accepts all forms of payment so be sure to visit her display & pick out a great bag for a better than great price.

See everyone on the 16<sup>th</sup>.
