The web site is in the process of being updated so check back often.

When entering, please remember that if you finished out 2021 in either 1st or 2nd place in the \$600 NH or the \$550 NNP, you are considered to be graduated from those 2-handed classes and must move up.

We've added a \$500 LR class for those starting out who don't own the horse they show in addition to a place for newbies to start out. Our mission is to give members a comfortable starting place with options for more than 1 class.

As outlined in the BMC Show Rules, BMC adheres to the NCHA Zero Tolerance policy relative to abuse of your equine partner. Excessive jerking, spurring or any other form of abuse will not be tolerated

anywhere on the show grounds.

Once again, BMC will be awarding the Jim Cox Memorial Buckle and plan to do so at the June show. More details will be forthcoming. Since Jim was a huge advocate of the beginning cutter, we have our eye on the new \$500 LR class as a place to award it. Jim was a longtime member of BMC, NCHA Director, a big supporter of cutting and a longtime friend to me & others. The buckle has been sponsored by his wife, Gail Cox, every year since he passed away and is a coveted remembrance of his contributions. Gail's contribution gives qualifying BMC riders a chance to ride for a piece of BMC history.

The annual Bridleless class will be held at the final show of the season so for those interested you've got all season to work towards this goal. Always a club favorite, we will calculate the riders and there will be a buckle to the class winner.

We've added a Futurity Work at the end of each show so if you've got a 3 year old you'll have the opportunity to work them under show conditions.

Show sponsors have really stepped up and we have a sponsor for each show of the season with some pretty nifty stuff going to class winners. Anyone interested in sponsoring a year-end buckle, we'll let you! Contact Janie Larson 509-899-5123 for details.

Another newsletter will be coming your way around the 1st of April. If there's something you'd like to see included or if you have any questions, please let me know at gkjranch@elltel.net.
