

JACKPOT SURVEY

There have been some drumbeats & we hear you. Responding to those drumbeats, BMC is conducting a survey to see if there's member support to jackpot a few classes. Establishing jackpot classes, of course, would add to the entry fee. Basically, what we would need to know if you are in favor of a jackpot program, in which classes would you support jackpots and how much you'd be willing to add to the existing entry fee. By selecting certain classes & leaving others as is, we would not be precluding anyone who'd rather not add to the entry fee. In other words, if you choose not to jackpot there would still be classes for you. We would like to see entries increase in underutilized classes and this may facilitate a shift into those classes. Jackpots would follow the NCHA payout model.

Since we are in the process of nailing down everything for the 2025 season, your prompt input would be appreciated. This is your club so we want to hear from you. So please take a moment & send your comments to gkjranch@elltel.net.
