

January 2021

So here we are in a new year facing the same battle as in 2020. We have put together a *tentative* 2021 show schedule as we continue to research our options. Right now our primary goal is to be able to produce shows. As always, member input is very important and most welcome so if you have something to say, please feel free to reach out and make yourself heard. New innovative ideas are crucial as is member participation.

BMC Tentative 2021 Show Schedule

April 24

May 22

June 19 – Selah

July 24

Aug 28

Sept 25

Oct 23

You will notice that the first show is scheduled in late April. Other than trying to maneuver around an unusually ambitious schedule of shows in the Northwest, it is our hope that this late April show will provide some wiggle room for things to somewhat normalize placing less restrictions on our ability to produce shows.

It was obvious from the 1 and only show we produced last year, that cutters are eager to get back. Participation was good, spirits were high and it was a successful show in every way.

There's a lot of moving parts in show production and we'll keep you informed as things come together. And as always, please reach out if you have any concerns, questions or ideas.
