

October 2023

We are arriving at the conclusion of the 2023 season. Once again, it has been a season of changes. I can't tell you yet if we will be in our new pen or if we will finish out the season in the temporary pen. Regardless of how this goes, we are grateful to Eric Monson's generosity in making sure we had a place to hold the 2023 shows despite all of the construction. We've all had to "roll with the flow" in making this happen as it's not been without its challenges.

Anyway, here we are at the precipice of our 2023 2 day (2 shows over 2 days) final show. Year-end awards will be presented at the conclusion of each class on Sunday. Because we lost a show in May, this year you need only 3 shows to be eligible for a year-end award in your class(s).

We had a successful September show as entries were up. The result was several very tight races for year end which could come down to who prevails on Sunday. As always, we want to thank all of the help who pulled together in making it a good show. Thanks to Jerry McGuire & crew for the setup and tear down of the pen, thanks to Kim & Heidi for keeping the show office running smoothly, thanks to Paul & his efficient management of the cattle, thanks to all of the help in the show pen and special thanks to Dr Jenni King, Sun Valley Equine Hospital for the circuit awards.

Saturday we will be holding our annual Bridleless class. Janie outdid herself on this year's buckle and so if you have a horse you trust to not run for the gate without a bridle, enter.

Entry fee \$110 of which \$40 goes to jackpot
Buckle to 1st place
60% of calcutta money goes to bid winner

Need not own the horse

Text entry to Kim 509-834-0895 or email kimberlykay911@yahoo.com

YEAR-END PARTY

**The year-end party will be held Saturday night at 610 E Pomona Rd.
Pizza and wine/beer/sodas will be provided by the club.**

It's all very casual and beginning around 5-ish.

It's a chance for a little social time with cutter friends before winter.

Absolutely everyone is welcome.

**Please drop a text to 509-901-0872 so we can get an approximate head
count.**

**As usual, there will be a fresh cow practice Friday before the show. Get a
hold of Jerry McGuire 509-952-2591 for more information & to let him
know you plan to attend. Fresh cattle are on their way to the feedlot in
sufficient numbers for both the practice & the show.**

**Entries close Wednesday, October 11th and I see they're starting to come
in. Looking forward to seeing everyone Saturday, October 14th and
Sunday, October 15th. Extended weather forecast looks like perfect fall
weather.**
