

October 2024

Here we are, down to the wire to close out the 2024 season with 2 shows remaining.

First things first. The September show was yet another good show with strong entries, good weather, plentiful cattle and newly added sand. We'd like to thank Ginger & Jody Taylor for the terrific circuit awards. It's great sponsors who set BMC apart other clubs and we appreciate it.

September points have been posted so members can see how they stand going into the final, 2 show weekend. Many races are tight and may go down to the final work of the season to shake out the first 3 places. Just a reminder that there are requirements to qualify for year end awards as per the Show Rule B-2:

B-2 Entrant must show in a minimum of 50% of the total shows (if total shows offered for year is an odd number or 60% of the total shows offered for year is an even number) in the appropriate class to be eligible for year-end awards and the class must be held at least 50% of the time offered in the show schedule.

The Show Rules document is always available for you to read on the BMC website.

As has become a BMC tradition, we will hold our annual Bridleless class on Saturday, October 12th immediately before the Open class. Riders need not own the horse they show and will be riding for the 2024 Bridleless Buckle.

BMC has many really top notch horses & riders and anyone of them could go home with this fabulous buckle. As always, we will hold a calcutta before the class.

Entry fee \$110 of which \$40 goes to jackpot

Buckle to 1st place

60% of calcutta money goes to bid winner

Need not own the horse

Text Bridleless entry to Kim 509-834-0895 or email

Please remember that when making online entries for the final weekend shows, you must enter each show individually.

We had a surprise food concession at the last show for which we were grateful and we will try to have them back. Although they were not actually there for the BMC show, they set up early in preparation for the Sunday roping and kindly opened up serving BMC as well. We expect them again for our 2 day show weekend. Watch the website for any updates.

As usual, there will be a Friday McGuire practice on fresh cattle. For details and to let Jerry know you're coming to practice, please call him at 509-952-2591.

There will be Saturday night pizza hosted by the club. Event location will be Jerry McGuire's backyard at 80 N Corridale, Yakima. It is requested that you bring your own beverages & a chair to park yourself in. Please RSVP by Wednesday Oct 9 so that we know how many to order.

Class standings will be calculated after classes are completed on Saturday and posted Sunday morning. On Sunday, standings will be calculated at the completion of each class & year-end awards handed out accordingly.

Watch your email mailbox and/or the BMC website for any last minute updates.

Hope to see all to close out what has been a remarkable 2024 season.
