

April 2023

As the first show of the 2023 season is nearing, we need to again point out some of BMC's recent changes.

We are please to announce that we will be returning to the Sartin Arena in Sunnyside for April & May shows. Both venue & cattle have been secured and judges hired. Stall rentals are available and you can reserve stalls on the sign-up page. Stall rental fees can be paid directly to Pete Sartin. New this year; before you leave you are required to leave a clean stall and there will be no exceptions. If your stall is found to be not cleaned prior to your departure from the show grounds, an additional fee will be assessed and could jeopardize your ability to rent a stall in the future and ultimately could have a negative impact on BMC's ability to rent stalls to members.

2023 Fee Schedule

Open - \$155 Includes jackpot

Non-Jackpot Classes - \$130

Youth - \$90

As most of you know, there is construction underway in the arena area of the Monson Feedlot. We are watching the progress and hope to be our new arena by the June show.

We're still performing updates to the website so check in occasionally.

As always, if you have any questions, comments or kind but constructive criticism, please reach out to any officer or board member. It's your club and your voice is important.

I read that while it is no longer winter, it's not exactly spring either but rather harassment. Hopefully, by the time of the first show it will settle down & be pleasant.

I want to remind all that entries for the April 29th show will be due Wednesday, April 26th.

Upon arrival on the show grounds, please visit the show office and provide Heidi with a completed & signed membership form along with 2023 membership fees. The membership form can be downloaded from the BMC web site.

There will not be any concessions so plan accordingly.

Hope to see members old & new on April 29th.
