

May 2019

Thanks to everyone who attended the April show making it a success. Entries are down some as have been entries all over the NW but we look for them to increase as the season moves forward. Regardless, everyone had a good time. And thank you Lyle & Stacie Toresdahl for making the trip from Caldwell, Idaho so Lyle could judge. It's always good to catch up with longtime BMC friends. We'd also like to thank NW Embroidery of Yakima for sponsoring the show with ball caps to all class winners. We appreciate your support and it makes it fun for the winners.

The May show will be here before you know it.....in fact it's nearly here now. Entries for the May 18th show are due Thursday, May 16th by 9 pm. May 18th is also Armed Forces Day so let's show our gratitude to the men & women in uniform who sacrifice so much to keep us safe.

Very few spots remain in the Tim Johnson clinic being held July 27th at the Monson Feedlot arena. If you want to know a little more about Tim, hit control & click on the link below and then sit back for about 40 minutes or so to hear what he has to say. Contact information about this clinic can be found on the BMC web site.

While it's very hard to keep up with every BMC member and what's new with them, we would like to congratulate Kyle & Sammy Jo Kristiansen on the recent birth of their baby boy, Graham. We would also like to congratulate Pete Sartin on his recent marriage to the now Mrs Patsy Sartin. Take a moment to say "hi" to Mrs Patsy and give her a warm welcome.

We did experience some web site issues last month and many of you attempting to access the BMC web site were directed to a pharmaceutical web site for "little blue pills". We are functioning properly now but in the event something like this ever happens again, please report it immediately and no matter how tempting, don't order

from that web site. While you may get your pills you may also get a nasty virus.

See everyone on Saturday ready to rock & roll.
