

August/September 2022

First of all, huge shout out to **EQUIS FEED** for sponsoring the July BMC show at the Monson Feedlot Arena in Selah. Class winners were able to cart away a bag of **EQUIS FEED** with a big smile on their face.

Unfortunately, we've had to do a lot of last minute tweaking to the show schedule for a lot of reasons. Everyone knows by now that the August show was canceled. The date on the September show has been change to September 10<sup>th</sup> and the location has been changed to Central Washington Equine Arena (old Venture Farms) in Ellensburg. As with any new venue there is a learning curve for both the members and the club. This is what we know so far:

Horses can arrive the night before and must depart by the morning  
after

Riders will have use of the outside arena for warm up

Stalls or mare motel runs are available for \$30/night

Parking & dry camping will be available in front pastures

All dogs must be leashed at all times

No dogs in the barns or arena

Use porta potties and not inside bathroom

Be prepared to haul off your trash

We need to take care to leave the facility clean so if you see a mess,  
clean it up

Show will begin at 9 pm. Panel set up & tear down will be required so if you're available before or after the show to help, check with Steve or Greg.

The fall practice at Jameson Lake Oct 1-2 if tentative at this point. If you think you're going to have an interest in going, let Heidi know so they can kind of figure out what they're doing.

Check the website frequently for any last minute info.

See everyone in Ellensburg on Sept. 10<sup>th</sup>.
