

September 2021

The finish line for the 2021 season is in sight with 2 shows left. Looking forward to good weather for the upcoming September 25th show at Pete Sartin's arena. On behalf of the entire club, I'd like to thank the Pete Sartin family for donating back the arena fee. It was kind & generous and we are very grateful.

Sometimes success is a matter of perspective. We had 3 entries in our first ever Futurity class. While I guess you could say, only 3, I was pleased with 3 because BMC is obviously not known for aged events and I had no idea what to expect and the number of cutters with 3 year olds vary from year to year. Whether we can do this every year remains to be seen but I was told that it was a fun event. I'd like to thank Andrea Cartmell for putting in a lot of legwork last winter in developing the format. For those who don't know, Victor Dickson and his colt NVR Relentless walked off with the entire \$300 jackpot. NVR Relentless is owned by Victor & Linda Dickson from Ellensburg. 2 more Futurity classes remain in this series with a beautiful buckle to be awarded to the circuit champion at the conclusion. I'd also like to thank Janie Larson for her diligence in procuring this buckle. She did a great job.

Entries for the September 25th show are due by 9 pm on Wednesday, September 22. If you are making an entry for the Futurity class, please text your entry to Kim at 509-834-0895. Again there will not be concessions to bring your own lunch.

I will be at the September show and it will be good to be back and see everyone.
